Bedford, Oct. 1, 1869.
Rev. S. Jackson,

Dear Bro - I
have despaired of effect-
ing a meeting with you,
especially since you
were with 14 miles of me
on the very day you said
it would be impossible
to meet me. Hoping to
see you yet somewhere
I have no farther propo-
sitions to make.

I enclose herewith
the minute of my ef-
forts to complete an or-
ganization at Westville.
I leave you to fill a few
blanks, and complete
the work.

Besides the names al-
ready enrolled it was

expected that the following persons would have joined in with the organization, viz
Mr Wm Bryson & Mrs J. B. Bryson, Mr John Bryson & Mrs Elizabeth Bryson. For some reason unknown to me they failed to be at the last meeting. I enclose the letter of Mrs Welch, the only one I retained.

Praying for your welfare & success I remain

Yours Truly

Bro Jackson,

Dr Chas & Co.
now make another of-
fer - Your letter Rec^d -
viz to give a lot one
block South of the ones
formerly bot. and do-
nated by Dr. Chas & Co.
- Give lot for parsonage
on Chas's addition -

On / other side you will
see a rough plot - Parallel
lines indicate / streets - A
chapel now will create dis-
content generally - The
new R.R. will help E. street.
Probably a lot could be bot^{ing} near
Epis. Church - But these parties
perhaps have some claim -
Nothing will be lost by

letting matter rest till spring
 except it would give immedi-
 ate character to our Church - So
 you accept this proposal J. D. Chase?

Dear Brother, Sheldons

The very cordial interest you have shown in me and my labors, is the inducement I say a few words in regard to the latter.

I am obliged to give most of my time to building churches and parsonages. The fine weather following the dripping days in Feb city, have enabled us to make good progress in our work, and I am now very hopeful, that we may occupy our ch. as soon as Jan next, - at least - that we shall get the walls up and roof on. The school house has been under repairs for the past few weeks and we have place for meetings now.

The school house will be ready in a few days. But I long and pray that the day may soon come when we can worship and praise the Lord in a house dedicated to His service. Our place continues to improve, and if we have R.R.s as we expect, Station must soon become a large village or city. There are now six stores and will be two more within a month. The Episcopalians have just completed arrangements by which they take an unfinished edifice, ~~and~~ and complete it at a cost of not less than \$3000. \$1400 having been previously expended. They now bring their \$2000 from sources outside of our plan. It is an indication of the importance of the importance of this point. There is not a member of their

your must try and state our
situation to Dr. Ellinwood is
fully and strongly as the facts
will warrant. which I trust
will cause the string of our
Ch. Election fund to relax to
the extent of at least \$1500.
I should be very glad if you
could pay me a visit.
How can I procure say 3 doz copies
of the Hymnals also a small Sunday
School Library. I do not know
just how to ~~state~~ take up a collection
now for these purposes. We are now
coming to a ~~second~~ bill. also
the very support is now under con-
sideration. If I had the
Hymnals here, I could probably
sell most of them and return
the proceeds to the Board.

I should be very glad also
to circulate other publications
of the Board. Perhaps I can
be furnished with a supply
for circulation.
to be sent on such conditions
as may be practicable. I need
not enlarge to you on the great need
good religious books.

On the whole, my work has
under the all blessing of God, a
promising aspect. I am looking
forward with hope to the time
when, building over, I can
give myself up wholly to the
work of a minister of Christ.
Yours faithfully,
B. F. McKel.

Kind Sir

I addressed
you a note some time since
to Omaha which you may never
have received or which being
only on personal business you
may never yet have found
time to answer - but as I would
much like a word of advice
or direction from you I try
again, My Husband is occupied
so I do the writing, he desires
to change our home, but have
not means at command
to travel sufficiently to select
a home - but knowing how well
acquainted with the whole

I think you are
have thought you could direct
us to some promising point
some new town with good pros-
pects - a County seat preferred -
as Mr. Monroe expects to practice
law, but would teach in the
present, or I would like an opening
to teach music as that is my
business usually - a place where
building material & fuel are
cheap desirable as well as
a healthy location - good
water &c. - You will remember
my beloved Father Alfred

too much trouble write me
soon you will be conferring
a great favor. Respects

Dear Brother Jackson

Your note
did not reach me till last
morning. I was very glad to
hear from you. To day I
start to Lincoln Ill. to visit a
sister, & perhaps to supply a con-
stant church in that region next
Sunday. I think I would be
quite willing to take either Blair,
or Atlantic on the terms you
mention. I would be very glad
to get back to my old res-
idence. I do not want to leave it, or
the lot, - I would prefer it

limited to plain if any thing is
smooth & quiet there. I could
the matter be definitely settled
without my going out? - I can
not easily bear the expense of a
trip there, but if it is necessary
I can go. If the thing could
be arranged without my going
I would have my wedding to
take place in the latter part of the
month perhaps, & go out to remain
about the first of November,
but I do not want to go on
any uncertainty.

Write to me at Lincoln Mass,
care of Rev. A. S. Hayden & I
think I can give you a definite
answer next week. There is a

very desirable church in Illinois,
which I was told I could, perhaps,
get; but I am reluctant to leave
my Southern friends. I will know
in a few days about that.

I have had a very pleasant
time here among my friends
but I am out of money, and
want to get to work again just
as soon as possible. I am
now at my brother's. I am
exceedingly obliged to you for the
kindness you have shown me,
Write to me at once & as fully as
you can - & you will hear from
me. - Your brother

Wm. Taylor.

My Dear Bro

My object in writing
you at this time is simply this
in the last Sabbath of this month
we take up a collection in our day
with school for the purpose of furnishing
our Sabbath Schools with libraries
in the new or more destitute por-
tions of our country

I have thought that perhaps some of
those Churches you have recently organ-
ized along the Pacific R.R. stand
in need of such benefactions

And if you will furnish me the name
of some Church (I would prefer that it be
on the Pacific R.R.) with some state-
ments as to its situation & condition
I think I can stimulate my Sabbath
School to contribute more liberally

than it otherwise would. I propose that
our contribution be forwarded at once to
the Board of Publication & that the amt
in Books be shipped to the ^{address} ~~direction~~ of
the Superintendent of Land School - or some
friend in the place or to yourself ~~and~~
for the School

I do not suppose that the collection
will amt to a great deal ~~but~~ as it is
a first effort but it may assist
in purchasing a library for some
Destitute School in the West
Adrop me at

I can read it before the Sabbath

If you feel inclined to furnish any
items in reference to the Missionary
work of the West which will serve to stimulate
my people so it as I expect to present
that cause in a short time

Very truly Yours J. Bailey Adams

Comme. Ch. 8: 1889

Dr. Sir.

The blank from
Board of Church extension has been
received. We think it better for us
to write you the facts as they now
are and our views as to building
and allow you to fill the blank.

Comme has been gradually im-
proving since you were here -
Several large and substantial business
buildings have been erected -
One two-story adobe Hotel - also one
frame Hotel - and about 50, good
private residences -

The building now claimed by Episco-
pal Church is nearly completed -

The attendance on service is some
better - We have not located
the lot promised by the R.R. Co -
and thought we would wait until
you or Representative would be here
to assist in said choice.

We all know and feel the necessity
of having a Presby-Church and
or congregation here - but on account
of the money raised by subscription
for other building - and the stringency
of the money market - we have
concluded that - with concurrence
of your ^{self} and Committee to be sent to
Comme -

that - it would be better to use the
other Chapel as often as we desire
it until Spring - about 1st of
April We think we would be able
to raise a large subscription
in Cash, which added to the
Extension fund would enable
us to erect a fine building
either of adobe or lumber as
may be decided on - We
think that it would be well
for you to have the amount de-
rated by the church ready for
use early in the Spring

Dear Bro. Jackson

Agreeably to your request I write you at Schenectady sending list of articles for the proposed Missionary box - I almost feel reproached in doing so too, for while we need the articles, & in my circumstances I feel greatly circumscribed, still I feel afraid of coming in the way of others more justly deserving & needing, & I also feel timid about being known as an applicant for such a box - I leave the matter with your good judgment & kind heart -

If you notice anything about the list that had better be stricken out or altered P. do so freely - These are articles we should need to buy & their bestowment by some of the Churches would be a great favor - You might suggest that it is desirable the things should be of fair quality for the circle in which we have to move - Dresses & material of that kind to make over might be very serviceable - We wish as I said to you to give Mrs Adams a little help from it too - Please let us know

when we may expect a response to the appli-
cation - & into whose hands you send
our case -

If in talking with Dr Hall or Mr Paston
any opportunity occurs of mentioning fa-
vourably the need of our Church here of a Par-
sonage or Lecture Room or bell - I would be
greatly obliged if you would do so - I mean,
if you should know of any in their congregations
who might be able & willing to give us a helping hand
in any of those particulars - I feel it would be
a great thing for us just now unless we
do get some such help. I doubt of our getting
these things for a long while to come - some con-
ditional help would be of great service -

Did you mention my name to any of the Brethren
of our Presby for appointment to the Assembly
next Spring before you left? If not could you
drop any of them a note before the meeting of our
Presby on the last Tuesday of this month at Black-
River Falls? Mrs M^l - joining me in love
to you - her health is very poor - May the good Master
greatly bless & prosper you in your noble work for
him this Church! Yours, my affectionately
Jos. M. M. Nelly.

Dear Bro. Burpee

after waiting so long I
am able to state to you that
I started out this morning
to see means to build the
Church at this place I succeeded
in getting (361) names subscribed
to wards building a Church
and I will be able no doubt
to raise as much more as the
rest have not far over more
than one half of the former

and although The (F. R.
firm did not subscribe) as
much as I expected they would
yet one of the firm told me
that the amount shall be
built & I will send you
a bill of lumber for \$3,000
when wanted we must push it
on now if we build this fall
which is most desirable there
as several persons here who will
connect with us the first, when
two Ladies have told me that
they wished to do so we want
to have trustees appointed ~~the~~ ~~the~~
please write soon and tell us how

what are the prospects of preaching
here as I am asked by many
when we will have a preacher
as Mr. Margrett does not fill
the bill in that respect, he is not
helping us to build but is in the
trying to raise money to build a
parsonage altho he expects
to use ours if we should succeed
in getting one more than we will
but we can build without his
help his influence is not
in that other way I think and
sincerely believe that we can raise
seven or eight hundred dollars
the country is so good and we Mr. Stoughton,

the R. R. Co. are not paying
is, fast as we could wish
and many ~~not~~ not so plenty
as we could wish that
account still as that will
not prevent the shipping
but I did no more
but remain your Bro. in
Christ.

Rev Sheldon Jackson.

Dear Sir.

I am very glad that you are to make search for the lost box. It was sent to Rev S. M. Erwin, General Kansas in June by propeller as far as Chicago. This distance without charges. We have made frequent inquiries at our office here but no trace can be had.

As the barrel was marked clothing I fear it has been appropriated before this and Mr Erwin will never see it. It was valued by our ladies

\$116.00, not a high
valuation. This last
summer is the first time
our boxes have not
been received, one other

this season has not been

I think you will be kept

Dear Mr. Lincoln

I have just received your letter of the 27th inst. in relation to the proposed amendment to the Constitution of the State. I am very glad to hear that you are so much interested in the subject, and I am sure that your views will be of great value to the State. I am sure that you will be able to do much good for the State.

I shall have to defer my reply to you until I have had time to study the subject more fully. I am sure that you will be able to do much good for the State.

Mr Garrison

Dear Brother in Christ

I am very happy
to inform you that I have become
acquainted with the Rev Mr Gage
and is very sorry to find that
you thrust y budding Church
on the lots that was selected out
in the County so I have heard
Mr Gage Preach Once and from
my humble judge I think he
is capable of preaching in
any pulpit in the City of
Fremont and I think it would
be using him unjustly to ask
him to go out in the County
as long as he is capable of
preaching in the city
I have been talking with
the greater portion of the

people of the most ~~and~~ they
all seem to think that it would
be foolishness to build a church
out on the lots that was selected.

I have been canvassing around
town for the past two days and
I have had the offer of one
lot north of the Congregation
Church placing on Bruce
with a west front it is situated
right between the Congregation
and the Methodist Church.
I think it is one of the best
lots in town (also Mr. Gage
is perfectly satisfied with
its location).

but as individuals Mr. Galperin
and myself has committed our
selves on behalf of the Presbyterian
Church to the lots selected out
in the County but as more suitable
lots can be obtained I wish
you could contrive some way

where by we could be relieved
from the lots selection

I wish you would write to Dr
Cham in a mild manner and
explain to him that you don't wish
to put up a Church on the lots
selection as you believe the over
two of an from town and
that you don't feel inclined
to put a church on them.

As Broth Selper has received
the plan of the ^{stop the shipping of Church} foundation have
you not better stop ~~if~~ until
more suitable lots are obtained

Yours sincerely
John Alcorn

Rev Sheldon Jackson,

Dear Sir

Your favor came to hand
in due time was glad to
learn that you ^{had} the money
in bank to assist in building
the Church we can raise
perhaps \$500 or \$800 by that
time this with the reduced
price of Material & Labor
in the Spring will enable us
to build a good house.
We were disappointed in not
seeing Mr. Peck on the 17th or
at any time since hope you
will be able to supply us
occasionally during the winter
Should you come out this fall
we will give you a house
instead of a Tent if have

a Comfortable House
nearly completed hope
to see you soon.

our kindest regards to
Mrs Jackson.

Truly Yours
E. B. Johnson

Dear Jackson

You will understand
condition of affairs. As a
matter of business, our
men committed them-
selves ^{in writing} to lots on "E" street
in "rural" districts —
I do not like them &
Mr Alcorn never did
but supposed nothing
better could be obtained.
A Good Lot ^{one} can be
had this week — But our
friends interested especial-
ly in country on "E" St,
seem inclined to push
their advantage as mere
business — say you
delegated Galpin to
act for you — & that

you will give 2000 \$
whether we change
1 "lots" or not in which
all contracted for &c -

We have foundation
plan - Builders
write they will ship
as soon as we are
ready. If the other
contract for lots were
abrogated I could soon
have 1 matter reduced
to order -

Or are you prepared
to say you will not
give more than 2000 \$
for a country chapel.
It maybe that in a
few weeks these "lots"
now offered is by
other parties could not
be had as a free gift
In that case are we

you prepared to help
purchase such grounds
as we desire -

I seem tied just
now so far getting ^{an} other
lot is concerned & yet
1 golden opportunity
may pass from of se-
curing them - wh. I want -

Your Bro
John Bagge

The people generally
so far as I can learn
are dissatisfied with
present location - But
how many may alienate &
Chase -

One man offers 25 acres
if we will build on his
land a few miles out!

Dear Mr. Jackson

Your letters all reached me while I was on a trip in Missouri, and I only waited to get my wife & mother to advise about that stage trip, before deciding.

I reached home this A.M. I dare not risk my baby that long trip, and that settles the question. I can not go.

I should add more if I were not writing hastily in a town drug-store.

I shall send the Helena letter to you in a day or so, left it at home this P.M.

My address will be Cape

Gineardean Mission, when
I have decided to go for a
short time. I did not seek
the place, but it sought
me, and the need is very
pressing.

Very many thanks for your
cordiality and kindness in
this whole negotiation. And
may the Spirit of Wisdom
abide with you, and
the Lord own your work.

That Helena letter seems to
me providential, in the
present concurrence of
circumstances. You can get
a man to go in spring more
easily than now.

Krife's regards.

Yours in the gospel
of Mo., 86 present, all workers, and
harmonious.

Dear brother Jackson

Your letters
were duly received, and I have
written to brother Cleland that I
will take Atlantic. I will
go there just as soon as I
can. - about the middle of Novem-
ber perhaps. I would like to
know something more about
the place but suppose all will
be right. If you can find the
time you will oblige me greatly
by writing to me, & giving me any
information that you can.

Address me at Loudonville, Ohio.
I am very anxious to get out
to my field and at work again,
I would go at once, but ladies
cannot be hurried any much.
With my kind regards yours
Travelling
